EUTELSAT'S 12 DAYS OF CHRISTMAS

2015 has been an exciting year for us, our clients and our partners. Major achievements have been reached, enabling us to offer improved broadcast and connectivity experiences to communities around the world. Be prepared for 2016, as we are taking up the challenge to make it an even more innovative year!

Key 2015 highlights :

January - Eutelsat TV footprint reaches new heights, with a total audience of [one billion viewers](#) across the globe... and counting!

February - two new African stars join our galaxy, as Hannah Kasule and Joseph Mahiya win over the jury of the [DStv Eutelsat Star Awards](#) in poster and essay categories

March - successful launch of the [first all-electric satellite](#) EUTELSAT 115 West B, providing high-performance C and Ku-band capacity to the Americas

April - a Eutelsat [perspective on Ultra HD](#), one of the hot trends in the broadcast industry at MIP TV

May- Eutelsat Broadband expands BtoB services with [advanced Tooway Business](#) flexible solutions

June - Poste Italiane selects satellite broadband to [bridge the digital divide](#) in rural Italy

July - [Eutelsat Quantum](#) contract signed! First of a new generation of software-controlled satellite, developed through a PPP with ESA and Airbus Defence and Space

August - picture-perfect [EUTELSAT 8 West B](#) launch on August 20. A new star for broadcasters in the Middle East and North Africa

September - Eutelsat enters the world of IoT with Sigfox's selection of low bitrate, low-power [SmartLNB technology](#) to enable base stations to exchange data

October - [Eutelsat and Facebook](#) to partner on getting more Africans on-line, leasing entire Ka-band payload on AMOS-6 satellite

November - [FRANSAT TV](#) platform reveals new branding and accelerates move to High Definition

December - EUTELSAT 36C has liftoff on December 24 : no better way to end the year than a new launch!

About Eutelsat Group

Eutelsat Group is a global leader in satellite communications, delivering connectivity and broadcast services worldwide. The Group was formed through the combination of the Company and OneWeb in 2023, becoming the first fully integrated GEO-LEO satellite operator with a fleet of 35 Geostationary satellites and a Low Earth Orbit (LEO) constellation of more than 600 satellites. The Group addresses the needs of customers in four key verticals of Video, where it distributes more than 6,500 television channels, and the high-growth connectivity markets of Mobile Connectivity, Fixed Connectivity, and Government Services. Eutelsat Group's unique suite of in-orbit assets and ground infrastructure enables it to deliver integrated solutions to meet the needs of global customers. The Company is headquartered in Paris and the Eutelsat Group employs more than 1,500 people across more than 50 countries. The Group is committed to delivering safe, resilient, and environmentally sustainable connectivity to help bridge the digital divide. The Company is listed on the Euronext Paris Stock Exchange (ticker: ETL) and the London Stock Exchange (ticker: ETL)
