Eutelsat and Cinecolor Group Renew Multi-Year Partnership to Deliver Cinema and Live Event Content Across Latin America

- *Reinforces Eutelsat's role as a trusted partner in Latin America's media ecosystem*
- *Agreement ensures the continued distribution of digital cinema and live content via EUTELSAT 65 West A*
- *Strengthening Eutelsat's leadership in secure, large-scale content delivery for the region's cinema industry*

Paris, 25 Nov 2025 - Eutelsat (ISIN: FR0010221234 - Euronext Paris / London Stock Exchange: ETL) today announced the renewal of its long-standing partnership with Cinecolor Group, one of Latin America's premier media and cinema service providers.

Through this multi-year agreement, Cinecolor Group will continue to leverage the EUTELSAT 65 West A satellite to distribute feature films and live event content to theatres across Latin America. The renewed collaboration secures the continued use of C-band capacity, ensuring reliable, high-quality, and secure content delivery to hundreds of cinemas from Mexico to Brazil.

The partnership between Eutelsat and Cinecolor Group has played a central role in the development of the region's digital cinema distribution network, enabling studios, content owners, and exhibitors to modernize their delivery workflows through efficient, satellite-based solutions.

J. Ignacio González-Núñez, RVP Americas SalesEutelsat's Video Business Unit said, *"This renewal with Cinecolor Group/Chile Films reflects a partnership built on reliability, trust, and innovation. Eutelsat continues to support the delivery of high-value cinema and live event content across Latin America, ensuring secure and seamless distribution through our EUTELSAT 65 West A satellite."*

David Trejo, Commercial Director, Cinecolor Sat Division, Cinecolor Group said, *"At the Cinecolor Group, we are pleased to renew our long-standing partnership with Eutelsat, a company that has consistently demonstrated technological excellence and operational reliability. This renewed agreement underscores our ongoing commitment to delivering high-quality, dependable, and secure content distribution across Latin America. We continue to rely on satellite as a critical pillar of our operations, as it provides the robustness, scalability, and content-security standards required to ensure that cinemas throughout the region receive timely, protected, and uninterrupted access to premier audiovisual content."*

About Eutelsat

Eutelsat is a global leader in satellite communications, delivering connectivity and broadcast services worldwide. Eutelsat was formed through the combination of the Company and OneWeb in 2023, becoming the first

fully integrated GEO-LEO satellite operator with a fleet of 34 Geostationary (GEO) satellites and a Low Earth Orbit (LEO) constellation of more than 600 satellites. Eutelsat addresses the needs of customers in four key verticals of Video, where it distributes around 6,400 television channels, and the high-growth connectivity markets of Mobile Connectivity, Fixed Connectivity, and Government Services. Eutelsat's unique suite of in-orbit assets and ground infrastructure enables it to deliver integrated solutions to meet the needs of global customers. The Company is headquartered in Paris and Eutelsat employs more than 1,600 people across more than 75 countries. Eutelsat is committed to delivering safe, resilient, and environmentally sustainable connectivity to help bridge the digital divide. The Company is listed on the Euronext Paris Stock Exchange (ticker: ETL) and the London Stock Exchange (ticker: ETL).
