Eutelsat's HOTBIRD neighborhood to launch ESR 24/7 Esports Network (ESR), the first 24/7 linear video gaming channel over Europe

- *Illustrating the attraction of satellite linear distribution for new channel genres*
- *Confirming the unparalleled coverage of Eutelsat's HOTBIRD broadcast hotspot*

Paris, 25 January 2021 – Eutelsat Communications' (Euronext Paris: ETL) flagship 13° East HOTBIRD position has been selected by ESRevolution, Inc. for the European launch of its ground-breaking video gaming channel, ESR.

In an exclusive agreement, ESR, already the leading premium quality video gaming channel in the US, will make its content available in Europe for the first time in 24/7 HD linear format from February 2021, leveraging the

unparalleled coverage of EUTELSAT HOTBIRD, with its reach of over 135 million TV households.

Commenting on the agreement, Philippe Oliva, Eutelsat's Chief Commercial Officer said: *"We are excited to welcome ESR on HOTBIRD. Its groundbreaking format attracts a new generation of younger audiences and illustrates that linear distribution via satellite is attractive for these new channel genres to multiply and diversify their distribution."*

Wendy Wang, CEO of ESR added: *"We are delighted to partner with Eutelsat to deliver our content to the millions of gamers and fans in Europe in 24/7 linear format. The global video gaming market continues to grow at a rapid rate, and we look forward to developing our offer and growing our European audience in the years to come."*
